Dear Parents/Guardians,

Letter to Parents/Guardians of Primary One Cohort (2023)

1. First and foremost, on behalf of Principal and staff, we welcome all of you to Northland Primary School. We look forward meeting your child when school opens in January 2023.
2. To prepare your child better for school, we have the following administrative information and arrangement in the coming weeks to share with you.
 - a. **Communication channel:** MOE and schools have established a common channel of communication with our school stakeholders. It is done via the use of **Parents' Gateway (PG)**. Administrative and operational matters with regards to student management matters will be sent via PG to parents/guardians for information and necessary actions. Details on its operations will be disseminated to all parents /guardians by early October.
 - b. **Procurement of books, uniform and services:** These school necessities will be acquired online with home delivery services arranged for uniforms and books. This online approach was adopted as it has minimized time of parents/guardians to queue to buy books and uniforms. The online services will officially and fully commence from **10th October 2022**, with the following links for each service and advice for parents /guardians:
